SWACHH BHARAT MISSION

As a prelude to encouraging cities to improve urban sanitation, Minister of Housing and Urban Affairs (MoHUA) had conducted ‘Swachh Survekshan-2016’ survey for the rating of 73 cities in January 2016 followed by ‘Swachh Survekshan-2017’ conducted in January-February 2017 ranking 434 cities and recently concluded Swachh Survekshan 2018 for ranking 4,203 Cities. In a bid to scale up the coverage of the ranking exercise and encourage towns and cities to actively implement mission initiatives in a timely and innovative manner, MoHUA now proposes to conduct its fourth survey to rank all cities under Swachh Bharat Mission-Urban (SBM-U).

The MoHUA will conduct intensive interactions through Swachh Survekshan-2019 regional workshops to familiarize ULBs with the survey methodology, survey process and indicators, and also clarifying their expectations from the survey.

SWACHH BHARAT MISSION

The objective of the survey is to encourage large scale citizen participation, ensure sustainability of initiatives taken towards garbage free and open defecation free cities, provide credible outcomes which would be validated by third party certification, institutionalize existing systems through online processes and create awareness amongst all sections of society about the importance of working together towards making towns and cities a better place to live in. Additionally, the survey also intends to foster a spirit of healthy competition among towns and cities to improve their service delivery to citizens, towards creating cleaner cities.

Social media and other traditional media channels will be used strategically at both national through the 'Swachh Manch'- a platform for citizens to connect and contribute to the overall cleanliness of the city. State and city levels campaigns are being promoted in order to educate citizens.
