

Message President

In the era of digital world, the way of connecting and providing information is changed drastically with time. The Municipal council Batala attempt to publish fourth E-newsletter which will bring awareness and become information sharing platform for the citizens. It provides the detail overview of activities furnished by the municipality and initiatives taken for the welfare of the citizens in the recent months. I wish this splendid idea will achieve great success and continuity will be achieved.

Message Executive Officer

I am extremely delighted to publishing fourth edition of E-Newsletter for providing information about the schemes, programmes, initiatives and glimpse of development works under take by the Municipal council Batala. The initiative has been taken as a proactive step towards improving the governance by sharing important information with the citizens of the city. I am hopeful that this will be an important step towards better public involvement for the better future of the city.

BATALA MUNICIPAL VISION

- *Improvement of physical and social infrastructure with due consideration for pro-poor, participatory and inclusive development based with equity and equality*
- *Pollution-free environment, development of greenery and enhancement of overall beautification of the city etc.*
